

DANIEL TUBBENHAUER

TEACHING LIST

- Lecturer* *Fall.2018* Foundations of Mathematics (forthcoming)
Course, to be held at the University of Zurich; aimed at bachelor students
- Organizer* *Fall.2018* Seminar on 2D TQFTs (forthcoming)
Seminar, to be held at the University of Zurich; aimed at master and Ph.D. students
- Organizer* *Spring.2018* Seminar on tensor categories
Seminar, held at the University of Zurich; aimed at master and Ph.D. students
<http://www.dtubbenhauer.com/seminar-tensor-2018.html>
- Organizer* *Spring.2017* Representation theory of finite groups
Seminar, held at the University of Bonn; aimed at bachelor students
<http://www.dtubbenhauer.com/seminar2017-fin-gr-reps.html>
- Organizer* *Spring.2017* Oberseminar Darstellungstheorie
Held at the University of Bonn
<http://www.dtubbenhauer.com/oberseminar2017.html>
- Organizer* *Fall.2016* Affine Hecke algebras and their appearance in mathematics
Seminar, held at the University of Bonn; aimed at master and Ph.D. students
<http://www.dtubbenhauer.com/seminar201617.html>
- Organizer* *Fall.2016* Oberseminar Darstellungstheorie
Held at the University of Bonn
<http://www.dtubbenhauer.com/oberseminar201617.html>
- Organizer* *Spring.2016* Categorification at roots of unity for pedestrians
Seminar, held at the University of Bonn; aimed at master and Ph.D. students
<http://www.dtubbenhauer.com/seminar2016.html>
- Organizer* *Spring.2016* Oberseminar Darstellungstheorie
Held at the University of Bonn
<http://www.dtubbenhauer.com/oberseminar2016.html>
- Organizer* *Fall.2015* Recent topics in representation theory
Seminar, held at the University of Bonn; aimed at master and Ph.D. students
<http://www.dtubbenhauer.com/seminar2015.html>
- Organizer* *Fall.2015* Oberseminar Darstellungstheorie
Held at the University of Bonn
<http://www.dtubbenhauer.com/oberseminar2015.html>
- Assistant* *Spring.2015* Calculus and Linear Algebra I - MATLAB
Course, held at the University of Aarhus; aimed at bachelor students
- Assistant* *Fall.2014* Calculus and Linear Algebra I - MATLAB
Course, held at the University of Aarhus; aimed at bachelor students
- Lecturer* *Spring.2014* Introduction to categorification
Course, held at the University of Aarhus; aimed at master students
- Fall.2013* Calculus and Linear Algebra I - MATLAB

Assistant Course, held at the University of Aarhus; aimed at bachelor students

Before Various courses
2013

Assistant Held at the University of Göttingen

April 25, 2018
